

# SALICE F70

## **SALICE**

### **INTRODUCING** F70 Heavy Duty Drawer Slides

F70 features an innovative fully integrated rack and pinion mechanism, which synchronizes the three sliding elements and guarantees lateral stability and silent sliding movement without the need of a stabilizing rod. Available in full-extension soft-close and push-to-open versions, and equipped with tool-free side, depth, height and tilt adjustments. F70 is suitable for every drawer in the house, commercial applications and wherever extreme durability and high load-bearing capacity is needed.

#### **Product Features:**

- 77kg (170lbs) Static Load Capacity; 70kg (154lbs) Dynamic
- Full-extension with a synchronized mechanism
- Soft-close or push-open versions
- Enhanced smooth soft-closing action
- Available in full range of lengths 350mm - 750mm
- Tool free height adjustments  $\pm 2.5$ mm, depth adjustments  $\pm 3$ mm, side adjustments  $\pm 1.5$ mm and optional tilt adjustment  $\pm 3$ mm
- Elongated holes for added depth and height adjustment
- Optional synchronizer kit for push-open, optimizes the opening movement of wider drawers
