Product Description

The Graf Big knob, made from aluminum, builds on its predecessor with increased size and diameter for enhanced grip and usability. Designed for flexibility, it allows countless combinations on cabinets in kitchens, bathrooms, dressing rooms, bedrooms, offices, and commercial spaces. Available in two sizes and three finishes—stainless steel look, dark-brushed black, and brushed black—it pairs seamlessly with other knobs and handles from the Graf collection, creating spaces that exude modern industrial style.

Included Products

Industry standard mounting hardware
