

8 X 1-1/8 Flat Nibs Robertson 2/3 Aster Lo Root

Part Number: R20-1762-J

ROBERTSON #8 x 1-1/8 Flat head with Nibs 2/3 threaded, Aster® Lo-Root® Zinc in Jar

Flat head Robertson Lo-Root with nibs in jar packaging

Application Type	General Purpose
Bit Size	#2
Drive Type	Robertson
Finish	Zinc
Head Type	Flat
Length	1-1/8 in
Nibs Included?	Yes
Packaging	Jar
Point Type	Standard
Screw Size	#8
Thread Type	Lo-Root

Product Description

These are wood screws with:

- Flat Head: flat top with a countersunk bearing surface.
- Original Robertson® square drive
- Self Counter-sinking Nibs
- Lo-Root® Thread
- Aster® Thread Feature

Lo-Root® Threading provides a single lead deep thread with a wide spacing for superior holding in softwoods and particle boards.

Aster® Thread Feature is now standard on all Lo-Root® screws with a serrated tooth thread design, providing quicker starting, reduced splitting and less drive torque.

It is recommend to use only Original Robertson® bits together with Robertson® screws for a true "Cling Fit" that provides maximum recess penetration, holding power and driving performance.

Product Advantages

- Original Robertson® Fastening System
- With true "Cling Fit" in maximum recess
- Aster® serrated teeth on all Lo-Root Deep Threads provide greatest holding strength in soft woods and particle boards
- Sharp thread angles and points offer excellent penetration and engagement
- Self-countersinking nibs under the head
- Clear plastic jar packaging, easily keep track of inventory levels with the convenience of transparent buckets and jars, allowing for quick monitoring at a glance
- Matching 2" bit included in each jar

Important Information

All Screws under 1" are fully threaded. Screws over 1" are 2/3 threaded to help prevent "jacking" when two materials are fastened together.

INTRODUCING Robertson Jars

Effortlessly manage your inventory with transparent jars that offer complete visibility. The clear design allows you to monitor stock levels at a glance, saving you time and ensuring you never run out of essential supplies. Keep everything in check with just a quick look, so you can focus on what matters most.

Product Features:

- Packed in quantities of 350, 500, or 1000 pieces dependent on the individual item.
- Moisture resistant plastic jars help to maintain product integrity and prevent rusting or corrosion.
- Each jar includes a 2" bit
- Allows you to quickly grab the jar and corresponding bit for immediate use in your projects minimizing delays or interruptions.
