Black 16" Stealth Speedbrace

Perfect support for floating countertops or bar overhangs.

<div>
</div>

Application Type	Brace
Height	3/16 in
Length	16 in
Load Capacity	300 lbs / pair

Product Description

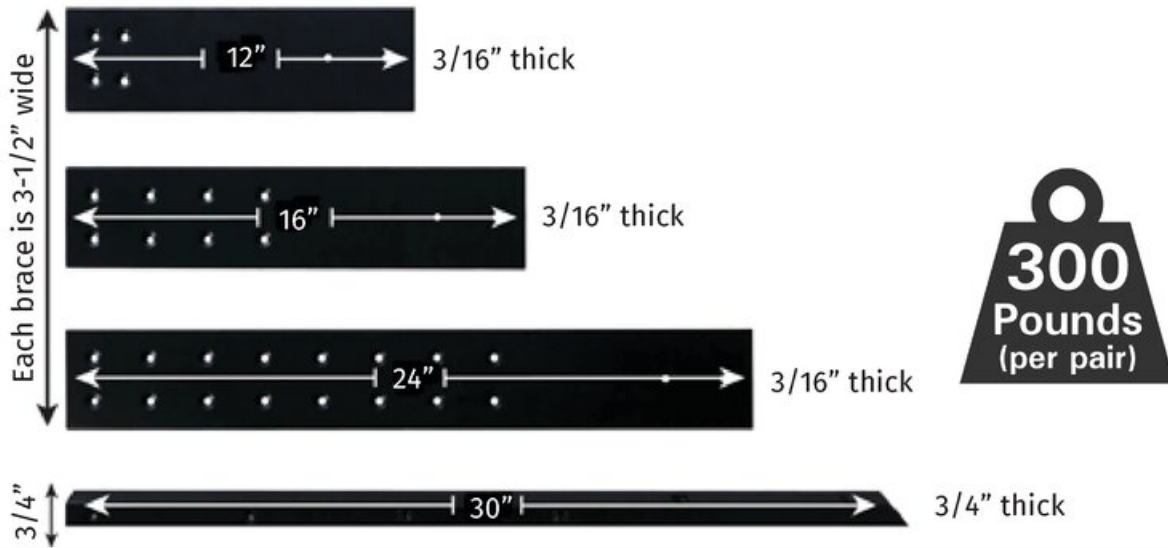

FastCap's innovative new Stealth SpeedBrace supports your countertop or bar overhangs with no visible kicker or expensive wooden corbels. A pair of Stealth SpeedBraces will support 300 pounds of weight, while a pair of Heavy Duty (HD) braces support over 500 pounds, so go ahead test that kitchen counter. Sold individually.

Product Advantages

- No visible kickers or corbels required
- High strength steel
- Easy installation
- Various lengths and thicknesses
