Product Description

Salice Excentthree Face Frame hinges enable easy and simple installation while combined with their superior technical features ensuring that you receive a reliable and consistent door action. These low-profile, one-piece face frame hinges provide eccentric cams for three way adjustments, including side-to-side, up-down, and in-and-out, providing you with perfect alignment. Available in both screw-on and doweled versions, they will enable long-lasting attachment to the frame with superior stability and zero door protrusion. Expect a lifetime of smooth opening and closing in your kitchen when you pick Salice.

Product Advantages

- Salice provides a lifetime warranty
- Precise door alignment
- Zero door protrusion
- Boring pattern same as the industry standard
