SALICE

INTRODUCING Salice Silentia⁺

Silentia⁺ by Salice transforms cabinetry with effortless elegance and whisper-quiet perfection. Its innovative soft-close design ensures every door glides to a gentle close, adding a touch of luxury to any space. Seamlessly blending style and functionality, Silentia⁺ delivers flawless performance without disrupting your workflow or compromising on the trusted quality Salice is known for. Elevate your designs with a hinge that combines timeless sophistication with unmatched reliability.

Product Features:

- Twin Silicone Oil Dampers deliver perfect soft-closing action
- Speed selection switch ensures consistent decelerating action that allows you to adapt to all door applications
- An ideal choice for 3/4" door thickness
- Compatible with all of Salice's existing mounting plates
- Hinge selection covers all common cabinet door applications
