## Product Description

The Fly Moon Corner Pullout is a pivoting shelf solution for your difficult to reach corner cabinets. The height of the two shelves are adjustable and can each support a 20kg load. Combining style and function, the shelves offer a melamine anti-slip coated bottom and with metal plated railings.

The patented mechanism has a unique centre supporting pole, that allows for a faster and easier installation along with height regulation of the shelves, even if they have already been installed.

Manufactured in Italy by VIBO, a high-end designer and manufacturer of premium kitchen storage accessories. The Fly Moon is an elegant storage component from our line of premium kitchen storage accessories.

## Product Advantages

- Pivoting arms allow easy access and excellent space utilisation
  - Premium Quality - Made in Italy to European standards
  - Load capacity of 20 kg per shelf
  - Shelves have wire railings with anti-slip melamine bottoms
  - Arm Mechanism has tray height adjustability
- 

## Important Information

Please note that this product is non-reversible. Order according to installation the Left or Right versions depending on which side of the cabinet your door opens.

- Minimum width of door opening: 407mm (16")
  - Minimum installation dimensions - Depth: 489mm (19-1/4") and Width: 860mm (33 7/8").
  - Height Adjustment on Standard Arm Mechanism is from 665mm to 705mm (26-1/8 to 27-3/4 inches) but using the extension kit (041-VFLY50) you can add up to 100mm of additional height quickly and easily extending the range to 805mm (31-5/8 inches).
- 

## Included Products

This kit includes all necessary components for the Flymoon Corner Pullout.
