

## Little Hand XL Kit

**Part Number: F3-HAND-LITTLEXL-2PC**

Little Hand XL 2 piece Kit

Little Hand XL Kit includes 2 support poles and carrying case

Application Type -----	Commercial Cabinets
Length -----	23-1/2 to 38 in
Type -----	2 Poles and Case

### Product Description

The Little Hand XL is a 2-piece system with carrying case that can be used to hold in place commercial upper cabinets after the base cabinets have been installed. With telescoping range from 23-1/2" to 38", this has a longer range than the Little Hand.

### Included Products

Two Little Hand XLs and one carrying case.
