

Front Fixing Brackets Screw-On Zinc

Part Number: 105-M01011Z

Front Fixing Brackets for Doublewall Drawer System, Screw-On

Front fixing brackets are already included in the standard Doublewall Drawer kits. These are for different production scenarios.

<div>
</div>

Drawer System -----	Infinity Doublewall
Mounting Type -----	Screw-On

Product Description

Our standard doublewall drawer kits include dowelled front fixing brackets. Change to this part if your production needs require front fixing brackets to be screw-in.

Product Advantages

- Screw-on for different production needs
- Swap these for your included Dowel Brackets
