

Front Fixing Brackets Press-In/Dowel Zinc

Part Number: 105-M01016Z

Front Fixing Brackets for Doublewall Drawer System, Dowel/Press-In

Front fixing brackets are already included in the standard Doublewall Drawer kits. These are for different production scenarios.

<div>
</div>

Drawer System	-----	Infinity Doublewall
Mounting Type	-----	Press-In Dowel

Product Description

Our standard doublewall drawer kits already include these dowelled front fixing brackets. You do not need to order more of these with a standard kit unless you have different needs in your production for these brackets or if you are ordering Production Packaging.

Product Advantages

- Press-In/Dowel for strong attachment
