### Product Description

Legacy Prima is the new name for our existing high-quality drawer system. Available with dozens of options to fully customize your project and fit it to the exact specifications and needs of your client. Seven lengths and four available heights, including sleek and stylish glass options on two of the heights, give you the option to create a high end space designed for your client's lifestyle.

### Product Advantages

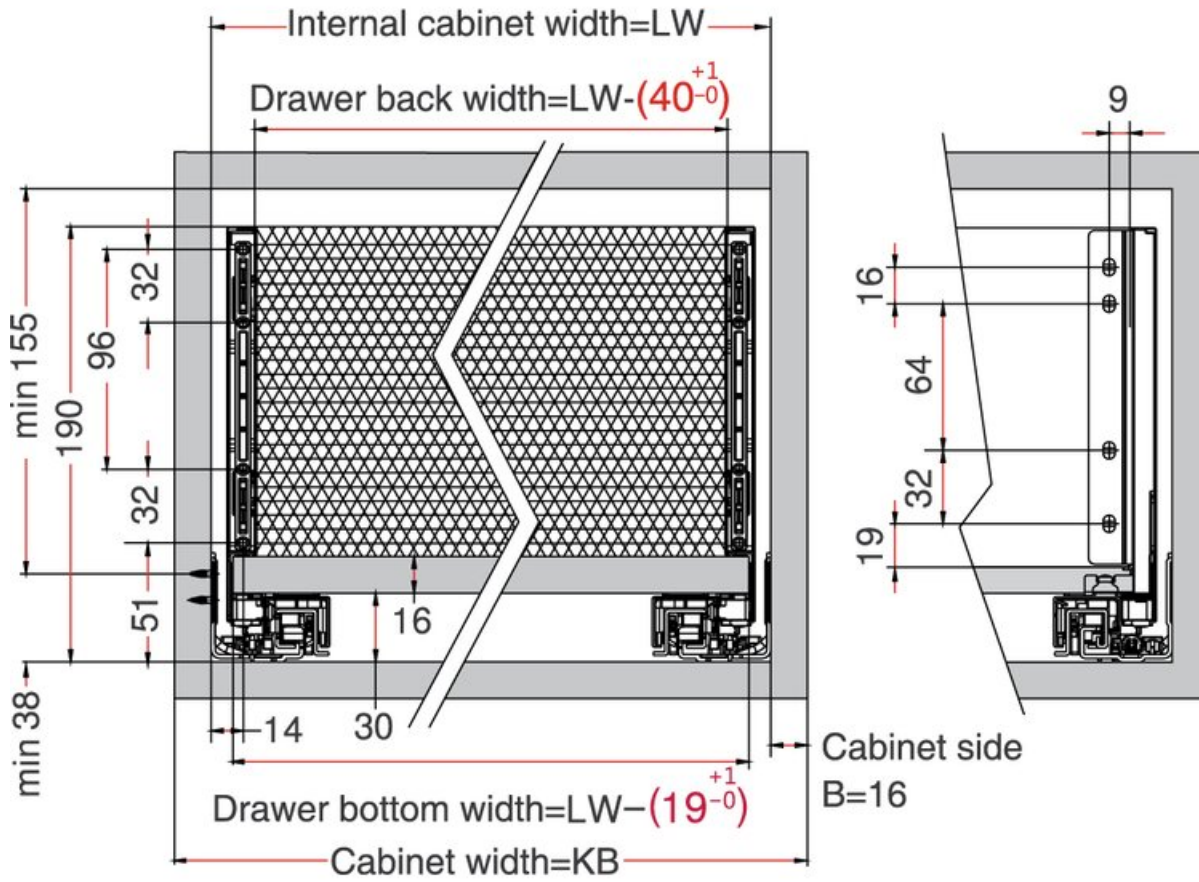

- Maximize internal storage and usable space
- Convey contemporary style and design
- Synchronized soft-close slides for ultra smooth and silent motion
- High dynamic load capacity of 40 kg (88 lbs)
- Range of colours that match and compliment today's modern looks
- 3 heights, 7 lengths and a complete range of accessories in glass and metal
- Tool-free assembly and installation
- No extra machining required on bottom panel

### Included Products

The Standard Drawers with Metal Sides are sold as a complete kit. All cabinet slides, drawer sides, back and front fixing brackets, and cover caps are included in a boxed kit. No need to order parts separately and juggle open boxes with different quantities of product remaining.
