Product Description

Autograph is our top-of-the-line drawer organizer system, made from real wood and available in two finishes - birch and walnut. As a fully customizable system, Autograph allows you to fit it to the drawer's exact specifications and your client's specific needs. With two easy ways to order, pre-configured kits and a do-it-yourself configurator, Autograph is not only a stunning, functional add-on to your kitchen designs, it's also a hassle free way to offer your clients a complete kitchen from top to bottom, inside and out.
