Product Description

A functional and simple design, the Diabolo knob is characterized by its reduced measurements which add a plus to any space in terms of aesthetics. Made in aluminum, this design by Frank Person is structured around simple and discrete lines which draw the characteristic shape of a diabolo. Its minimal aesthetic, simple and functional, together with its bright finish create a knob characterized by its ease of use and sophisticated personality. Diabolo is also available as a wall hook in an attempt to unify walls and furniture in hallways, bedrooms, kitchens, bathrooms and offices where simplicity reigns.
