Product Description

Round is an aluminum knob with a simple, functional outline by Balutto Associati. This round shaped knob protrudes from doors and drawers by way of its cylindrical shape. Its front part is wider creating a small profile that provides a practical way to open furniture in the home and office. Available in three finishes with a shiny touch, it creates a balanced, sophisticated and elegant atmosphere where a minimalist style rules. Discrete and functional, this rounded knob is the perfect element to add personality via furniture accessories. Round also has a wall-hook version which allows you to unify aesthetics of wall and furniture accessories in bathrooms, kitchens, bedrooms, hallways and offices.
