Product Description

The Floid wall hook, made in zamak, fits perfectly well in all types of hallways, bedrooms, dressing rooms, bathrooms, kitchens and offices and a vintage touch. It is characterized by its round shape and cylindrical end which means it can be fitted discretely and easily onto walls. Designed by Frank Pearson, it is available in five different finishes which means it can be combined on walls and with furniture of different tones. It makes up part of the Floid collection which includes knobs and handles along from the same model line. Combining them is a perfect way to achieve harmonious surroundings.

Product Advantages
