Product Description

The triangular wall hook Switch is discrete, elegant and simple. Made in walnut wood or in oak and available in four different finishes, this warm and timeless wall hook is perfect for Nordic or minimalist surroundings which need discrete decorative elements. Its straight lines emit from a triangle with a rectangular base which adds balance and great functionality. Its installation links in perfectly with its minimalist, simplistic shapes as it is fixed to the wall using an adhesive. Combined with the collection of knobs and handles from the same family, Switch allows you to create harmonious and relaxing spaces.
