

Salice F70 Push Undermount Slide, 600mm (24")

Part Number: SG7E6P600XXB

Salice Progressa+ Synchronized Undermount Slide, Full-Extension, Push-Open, 600mm (24in)

A new generation of heavy-duty fully synchronized drawer slides. Available in the full range of lengths from 350mm to 750mm.

Closing Type	Push-Open
Length	600mm (24in)
Load Capacity	78kg (170 lbs)
Mounting Type	Screw-In
Slide Extension Type	Full Extension
Slide Type	Undermount

Product Description

The next generation of heavy duty drawer slides, featuring a fully integrated, synchronized rack and pinion system. Suitable for every drawer in the house and any commercial application also thanks to the optional synchronizer kit (sold separately).

Salice's patented fully integrated Push-to-open system for handle-less cabinets and more requires only a slight pressure of the drawer front to open the drawer.

The synchronization system for Progressa+ Push slides has been developed to ensure that wider drawers can be opened with minimum effort. The system links the two runners, which then become a single element; applying pressure on any part of the drawer front (even at the extremities), is sufficient for the Push devices to release and consequently for the drawer to open. Although, the synchronization can be used with any drawer width, its functionality is ideal with drawers wider than 80cm.

Product Advantages

- 78 kg (170 Lbs) Static load capacity
- 70 kg (154 lbs) Dynamic load capacity
- Full extension with a synchronized mechanism
- 600mm length
- Integrated Push opening system
- Elongated holes for depth and height adjustment
- Adjustable clips allow for easy drawer insertion and removal
- The drawer is latched when closed
- Tool free depth adjustments +/- 3 mm
- Tool free side adjustments +/- 1.5 mm
- Tool free height adjustments + 2.5 mm (located on runner)
- Optional:
 - Tool free tilt adjustment +3 mm
 - Progressa+ Push Synchronizer
- 12 mm (1/2") to 16 mm (5/8") drawer thickness
- Finish: bright zinc-plated
- 100% Made in Italy

Disclaimer

Salice Undermount Slides do NOT include front locking clips. These must be ordered separately.
