Width	22 mm

Product Description

Flapp Aluminum stands as a highly practical and ergonomic handle. The amalgamation of straight lines and curved edges results in an accessory exuding elegance, seamlessly integrating into any setting. The 1100 mm extended variant proves ideal for contemporary kitchens and spacious dressing rooms, elevating the uniqueness of each area. To amplify its significant decorative capacity, consider juxtaposing the small size with the elongated format, either vertically or horizontally, within the same space.
