Product Description

Capturing the trendy essence of Tribeca in lower Manhattan, the Emtex Tribeca Cabinet Pull exudes a hip vibe inspired by the area's industrial roots. Its diamond-shaped and geometrically textured style reflects the unique energy of the neighborhood. This versatile piece is designed for use on paneled kitchen appliances or as a standalone door pull, offering a multi-faceted texture with distinctive light reflection properties.

Available in 7 sizes and 6 finishes, the Tribeca Cabinet Pull allows you to customize your space with a modern touch. Whether you're looking to elevate your cabinets or add a chic design element, this pull embodies the cool spirit of its New York namesake. Explore the possibilities and bring a touch of Tribeca's trendiness to your surroundings.
