Product Description

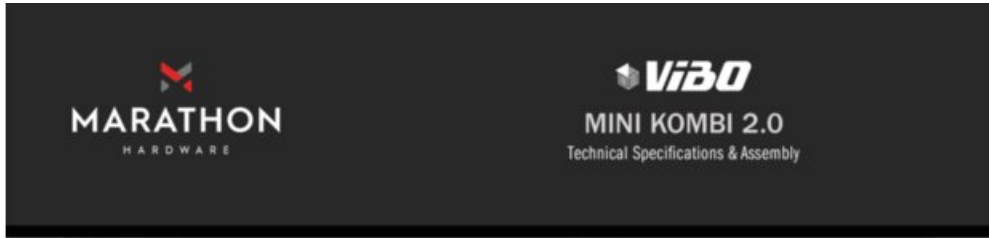

The innovative collaboration between Marathon Hardware and Vibo has resulted in the Mini Kombi, an unparalleled solution for undersink waste management needs. This system is designed with meticulous attention to detail, ensuring seamless integration into any kitchen environment, whether it employs pullout mechanisms or hinge-operated doors. Crafted with European finesse, the Mini Kombi is built to support an impressive load of up to 40 kilograms. It is compatible with four critical cabinet dimensions - 15 inches, 18 inches, 21 inches, and 24 inches, offering unmatched durability and flexibility. This makes the Mini Kombi not just an addition to your kitchen, but an integral part of it, blending functionality with design to meet the demands of modern homes.

Product Advantages

- Available in 4 width: 15", 18", 21" and 24"
- Bottom-mounted, tailored to be fixed to the floor of the cabinet
- Top drawer or undersink installation
- Synchronized slide
