

K Top mock up

Part Number: IFY0DU500101

K Top Worktop Connectors Mock-Up

K Top, designed for effortlessly joining two worktops or panels, offers a quick and easy installation with a touch of sophistication.

Application Type -----	Connectors
Material -----	Steel

Product Description

K TOP has been conceived to join two worktops or panels together. The installation is fast and simple. The fastening is carried out by using an S3 mm allen wrench. It is suitable for worktops and panels minimum 10 mm thick.

Product Advantages

- Press-fit positioning, reduced risk of parts falling during installation, enhancing efficiency.
- Compatible with S3 mm Allen wrench or cordless driver.
- Suitable for worktops and panels minimum 10 mm thick.
