

INTRODUCING Robertson Jars

Effortlessly manage your inventory with transparent jars that offer complete visibility. The clear design allows you to monitor stock levels at a glance, saving you time and ensuring you never run out of essential supplies. Keep everything in check with just a quick look, so you can focus on what matters most.

Product Features:

- Packed in quantities of 350, 500, or 1000 pieces dependent on the individual item.
- Moisture resistant plastic jars help to maintain product integrity and prevent rusting or corrosion.
- Each jar includes a 2" bit
- Allows you to quickly grab the jar and corresponding bit for immediate use in your projects minimizing delays or interruptions.
